RODRIGO TAKES THE TEST

OUT OF THE BOX

Donne & Cavalli Soothing Salve Bar & Olio Di Oliva Soap

The salve bar comes in a round tin and I carry it everywhere. Its fantastic on dry hands, dry lips, horse bites, scratches and boo boos. It has olive and carrot seed oils with healing plants and herbs. It's all-natural, horses love the scent and a little goes a long way. I've used it all winter and I've barely gotten down in the tin. I tried the bar of rosemary/lavender soap and it smells and feels out of this world. 🐾🐾🐾 for the salve 🐾🐾🐾 for the soap.
